

The **Vibe** Story

Congratulations!

Oakland County Credit Union is established marking their commitment to the credit union philosophy of "People Helping People".

Michigan Bell Telephone Company went through a few name changes:

SBC → Michigan Bell → AT&T

Telcom changed their name and became **VIBE!**

Why? Because it's totally unique, a nod to our roots, and vibes with the sound waves of our past!

Our members said **"Yes"** to a partnership between Oakland County Credit Union and Vibe.

With **80,000+ members**, our vibe is all about heartwarming connections!

2024 and beyond...

Ten enthusiastic team members from **Michigan Bell Telephone Company** united forces to establish Telephone Employees Credit Union - **each contributing \$10.**

Who could have foreseen that these **two exceptional credit unions** would eventually intertwine their roots in the years to come?

In tune with the telephone industry vibes, Telephone Employees Credit Union jazzed up its name to **Telcom Credit Union!**

Deeply rooted in Metro Detroit, **we support 250+ local events annually**, striving for a better community for all.

We were excited to expand!

It's all about our amazing members and communities, and that's what makes our Vibe journey so exciting!

We'll keep the good vibes going by creating opportunities to improve our members financial lives and elevate our communities every chance we can!
